# 5310 Overview

Title 49 U.S.C. 5310 authorizes the formula assistance program for the Enhanced Mobility of Seniors and Individuals with Disabilities Program and provides formula funding to States, Designated Recipients, and State or local governmental authorities that **operate a public transportation service (recipients) to improve mobility for seniors and individuals with disabilities**. This program provides funds for capital and operating expenses to recipients for:

- Public transportation projects planned, designed, and carried out to meet the needs of seniors and individuals with disabilities when public transportation is insufficient, inappropriate, or unavailable.
- Public transportation projects that exceed the requirements of the Americans with Disabilities Act (ADA) of 1990 (42 U.S.C. 12101 et seq.).
- Public transportation projects that improve access to fixed-route service and decrease reliance on complementary paratransit; and
- Alternatives to public transportation projects that assist seniors and individuals with disabilities with transportation.
