

French Broad River MPO

ITS RFLOI Final Addendum – Questions and Answers

August 8, 2025

Will there be any kind of information session or meeting related to the ITS RFLOI prior to the deadline?

We do not plan to have an information session or meeting related to the ITS RFLOI prior to the deadline.

Can you elaborate more on how the schedule criteria will be scored? For example, are there certain critical interim deadlines the French Broad River MPO are trying to achieve?

The schedule criteria will be scored according to the firm's ability to provide the required deliverables within the 12 month contract timeframe as well as the specificity of the schedule in terms of highlighting deliverable dates and other key milestones associated with the project. There are no critical interim deadlines associated with the project.

Could you please provide the estimated budget for this project?

The total cost budgeted for this study is \$300,000 per our UPWP.

Will the use of dividers or tab pages be included in the overall page count specified in the RFP?

Dividers or tab pages do not count toward the overall page count.
